From the Hillside

Thanksgiving!

We began our Midwest trip on Thanksgiving Day! We were able to spend the holiday with Sarabeth's family (21 of us) at the Farm in Lincoln, NE. It was a great time seeing everyone again and having a wonderful meal – we *thank* God for letting us be a part of a wonderful extended family.

We were so encouraged by the response we had from our last newsletter and are *thankful* for the new pledges that have brought us 4% closer to Alaska. We look forward to seeing how God continues to call new partners to this ministry.

We are in Nebraska for the week after Thanksgiving and will then head down to Kansas City, Kansas, and Missouri for a week, speak at a **NEW** church in Springfield, MO and then touch Arkansas and northeastern Oklahoma. We are excited to be able to finally see folks in the mid-west that have faithfully been partnering with us. God truly blesses us!

Family Update

We enjoyed a short break between traveling and had just enough time for the kids to stop playing 'travel' and start just playing.

Lydia stopped saying that Grandma and Grandpa were in Chicago and instead said they were at work. She is becoming quite the "chatter box".

We also found out that **Matthew** needs a little speech help, so in between trips he will get some therapy from the local school district.

"...however we are
thankful for His blessing
once again."

Thankful for God's timing!

As we mentioned in our last newsletter...we have reached the end of our scheduled year of Home Service! We are *thankful* that SEND of Alaska has granted us a **6 month extension** to complete our visits and raise the remainder of our monthly pledges. We know from our original deputation that our return to the field is very much dependent on God's perfect timing and so we will be patient to see how He will work this one out.

Our six months will be over at the end of April 2008, interestingly that is when our **fourth child** is due to be born, so we may need to adjust travel plans at that time, however we are *thankful* for His blessing once again.

We still need You!

One of the questions we often hear regards where the financial support comes from.

The bulk of our support comes from 65 **Individuals** that pledge on average \$50/month, but they range from \$5 to \$200 per month.

The rest of our financial support is from 8 **churches** that pledge on average \$200/month, but range from \$35 to \$600 per month.

As you can see it does not take a large monthly pledge to make a difference, but every drop in the bucket helps significantly in filling it. We are so *thankful* for those that have answered the call from God to partner in this way.

Please pray about partnering, too!

Prayer & Praise!

Family Update *continued...*

Kara is learning a little sign language as she develops her communication skills. **They all** are doing well with meeting and greeting so many new people.

It is amazing to see how each of them is maturing and they continue to sometimes surprise us. It helps having two of them potty trained, especially with all the travels.

Sarabeth is past the first trimester and doing well (except the normal tiredness and hunger) even with the travel. Our new little one is already making himself known through lots of movement and kicking.

Prayer...

- Pray for NEW opportunities to share the ministry and for traveling mercy.
- Pray for effective programming for the holidays that it would glorify Him.
- Continue in prayer for the engineering needs of the radio stations.

Praises & Thanksgiving...

- Praise for the 4% increase in support.
- Praise for the chance to share with a new church in Missouri.
- Thank Him for the blessing of a fourth child on the way.
- Thank Him for sending His Son – Merry Christmas!

And THANK God for His care and grace to us.

We are praying that you will have a wonderful holiday season and we are thankful for your partnership with us by reading through this letter. May His presence be evident in your lives this Christmas and throughout the year! As always we would **love** to hear from you.

In His Service,

Scott and Sarabeth

Greetings to our email newsletter partners!

Our October snailmail newsletter included a return envelope and pledge form but I forgot to include it with the email version. So, I am attaching a copy of the pledge form to this email for your convenience if you would like to print it out and fill in if you 'hear' a call to join in this ministry through regular prayer or financial support.

There is also a part of the form that contains information that you can fill out to have your current monthly pledge done electronically! This is one of the best ways to insure that your gift is accounted for quickly and not forgotten or misplaced. Please take a moment to consider this method of giving as it does save in paperwork and postage in the long run for both you and the mission.

Thank you again for partnering with us in the Alaska ministry of Broadcasting – don't forget that you can now hear KCAM on the internet at <http://listen.kcam.org> .

In His service,
Scott Hill
